HS-8D6 double speed radio remote control

(6 double speeds motions + start + stop + emergency stop button)

Double speed wireless transmitter Size (excluding antenna) 155×65×45mm

Weight (excluding batteries) 310g

Power Supply 2×AA batteries

Operating Range: ≤150m

LED : 3

Double speed transmitter Frequency: 422.4~438MHz

Response Time: 0.0001s

Housing Material: PA66 Protection Degree: IP65

Operating and Storage Temperature -30°C~+80

Double speed wireless receiver Size (excluding antenna): 270×220×100mm

Weight of double speed radio remote control receiver: 2500g

Power Supply: Variable(12~415V)

Operating Range: ≤150m

LED: 1

Frequency: 422.4~438MHz

Response Time: 0.0001s

Housing Material: PA66 Protection Degree: IP65

Operating and Storage Temperature : -30°C~+80°C
